Not For Sale - Priceless!

ABBEY SUNRISE (Dave Silverberg 2010) IB. 26 “, M. The entire flower — standards, style arms and falls—are cadmium orange. The flowers are quite ruffled and the beards are bright orange. We have gusted this cutie for 2 years and we think you will like it! Seedling # 03-134-E (Slang X Yes) **\$20.00**

BACKDRAFT (Hugh Stout 2010) TB, ML, 38”. When the sun hits these flowers you may be inclined to dial “911” because they glow like a three alarm fire! The standards and style arms are a warm peachy pink infused red with a tight gold edge. Sitting on rich, wide garnet-red falls with a pink edge, the extremely bright orange beards scream “fire”! ‘Backdraft’ produces many stalks with two to three well-spaced branches and plenty of buds to guarantee weeks of enjoyment. Seedling # HL-BS-1 (Heartland X Broad Shoulders) **\$45.00**

BEV’S BABE (Gerald Richardson 2010) TB, M, 36”. Heavily ruffled flowers are copper-red selfs with the falls slightly lighter than the standards. Gold style arms have red midribs and copper-red beards are tipped bronze. An advancement on its parent, ‘Bev’. Seedling # 02-17-1 (Wild Thing X Bev) **\$45.00**

BLOCKBUSTER (Gerald Richardson 2010) TB, M, 40”. A beautiful grayed lavender flower with a deeper violet flushing in the lower part of the standards. The big blocky flowers have heavy substance, overlapping falls, pale amber petal accents and style arms, and golden orange beards. This magnificently formed flower with crisp, flaring falls is a sib to ‘Ivory Ghost’ but with a more subtle dark-top effect. Seedling # 02-5-1 (Fog Bound X Tea Service) **\$45.00**

BLUEBERRY FUDGE (Gerald Richardson 2010) TB, L, 46". Rich red-violet standards have thin lighter edges; similar falls have a decided bluish cast. Smooth red hafts and style arms have violet midribs and the violet beards are tipped bronze. Broad falls with nicely tailored ruffles. Seedling # 03-2-2 (Diabolique X #99-42-4: (#96-62-1: (#94-9-1:(Hello Darkness x He-Man Blues) x Wide Hips) x #96-UT-1, a purple TB with unknown parentage)) **\$45.00**

EVER SO SOFTLY (Vincent Christopherson 2010) TB, M, 36". Standards and style arms are white. Falls have white ground with light blue luminata wash; lemon yellow beards have small lemon "crest" at end of beards. Well branched stalks with 3 branches and spur have 8-10 buds; there is purple brushing and stains on the bloom stalks for added garden color and interest. Seedling # L5-4E (Spirit World X Chiffon Ruffles) **\$45.00**

FALLALERY (Ben Johnson 2010) TB, M-L, 34-36". The incredible volume of lace that surrounds each petal on these flowers is amazing! The standards and style arms are bright, sizzling, clear sunshine yellow. The falls perfectly match the sunshine yellow standards and have clean white blazes centered below bright, deep golden yellow beards. Its petals are lightly ruffled, the heavy lace even borders the style crests and it is an easy grower. Nothing like it! Seedling # D-27-A (Laced Cotton X Throb) **\$45.00**

JENNIFER STOUT (Ron Mullin 2010) TB, ML, 36". Ron's propensity for classic form and vigor continue in this, his latest introduction. Standards and style arms are pale violet infused darker purple at midribs. Pale violet falls are more intense in the heart; yellow-orange beards are white at tips. A husky grower with great stalks and seven to eight buds, this beautiful iris is named for a beautiful friend. Seedling # V26E (Southern Thunder X Continuity) **\$45.00**

JOHNNIE'S OPAL ANGEL (Vincent Christopherson 2010) TB, EM, 36". Standards and style arms are warm white. White falls have orange shoulders and white beards with orange tips. Branched stalks have 8 buds. This glaciata grows well and the flowers emit a slight, sweet fragrance. Named for a very special lady. Seedling # L1-46Wh (Entangled X #CG10AH: Nordica x #G3-236BH:(Gigolo x Unknown) x Rock Star)) **\$45.00**

LOVE LILT (Ben Johnson 2010) TB, M, 32". Domed, rounded standards are purest white. Wide, flaring falls are light to medium lavender with heavy ruffling; beards are bright red in throat, white in the middle and are tipped pale blue. Smooth-as-satin petal texture, this pastel beauty has amazingly heavy substance ensuring longevity for each and every wonderful flower. Seedling # I-4-A (Heartstring Strummer X Society Page) **\$45.00**

MAGNIFICENT MASTERPIECE (Barbara Nicodemus 2010) TB, E-M, 35-36". The perfectly held standards and style arms are royal purple. Wide, sturdy, very ruffled falls are velvety black-purple with blue-purple beards. These wonderful flowers are perfectly displayed on strong, well-branched stalks with 7-9 buds. Beautiful, dark, clean foliage with strong purple bases. Aptly named, it really is magnificent in every way! Seedling # I-13R-03 (Fabulous One X Thunder Spirit) **\$45.00**

OPEN YOUR HEART (Vincent Christopherson 2010) TB, M, 28". When the flowers first open the domed standards display purple plicata markings, then open as the bloom matures revealing the light pink ground inside. The falls have a creamy light pink ground and purple plicata markings with soft burnt orange beards. Seedling # AgPO-9A: Daredevil X #PI-29A: (Olympia x Striking) x unknown pink ground plicata seedling probably involving 'Gigolo') **\$45.00**

PURPLE ESSENCE (Hugh Stout 2010) TB, M, 36". The smoky violet-purple standards of this bi-toned iris combined with wide, royal purple falls and glowing orange beards will really catch your eye! Its well-branched stalks, great form and vigorous growth makes this new introduction a stand out in the garden. Though a planned cross, the tag was lost. (Special thanks to Chesapeake Arboretum of Virginia for winning a "name this seedling contest" on our 'Stout Gardens at Dancingtree' webpage which generated over 150 entries.) Seedling # U-51_05 (Parentage Unknown) **\$45.00**

REGAL VIEW (Barbara Nicodemus 2010) TB, M, 38". The ruffled and fluted standards are icy white; matching style arms have light blue-lavender midribs and upper edges. Wide, ruffled falls are light blue-lavender with paler borders; yellow beards are tipped light blue-lavender at ends. Robust plants produce strong stalks with 2 branches, spur and 7 buds. A child worthy of two gorgeous parents. Seedling # G-46-4 (Sea Power X Sierra Grande) **\$45.00**

RON MULLIN (Hugh Stout 2011) TB, ML, 38". Named for my dear friend and mentor, this seedling was one that Ron has particularly admired. The ruffled standards and style arms are cool white. The flaring falls transform over a three day period from shiny lavender to near white without losing their substance and form. The gold radiating beyond the hafts reveal its 'Goldkist' parentage while bright orange beards complete a very showy picture of tall, graceful stalks with seven to eight buds. We feel this iris will live up to its namesake's **Gold Medal** reputation! Seedling # AF-GK-4-03 (Affaire X Goldkist) **\$45.00**

ROSY FORECAST (Bryce Williamson 2010) TB, 36", EM. I have always loved pink plicatas since they burst on the scene a few years ago. Standards and style arms are lavender-pink, sanded rose-pink at midribs. Falls are cream-pink blending to lavender-pink plicata edges and rose pink hafts; white beards are tipped tangerine. I have grown lots of pink-toned plicatas, but none has ever grown and bloomed so prolifically! Strong plants have wide foliage and strong, branched stalks. Sdlg. # 2004 (Waiting for George X ((Return to Elegance x (Poet x Queen in Calico)) x I've Got Rhythm)) **\$45.00**

SKYLINE ROAD (Barbara Nicodemus 2010) TB, ML, 36". This beauty is most difficult to describe! It is a wonderful, subtle mottled blend of lavender, white and blue with white edging on the falls. The beards are also blended in lavender, white and blue changing to yellow in the throat. This is a soft combination of colors with a silvery sheen in the afternoon sunlight. Beautiful, indeed! Magnificent, clean, wide foliage that sends up strong stalks with 7 buds. Seedling # G-60-1 (Honky Tonk Blues X #C-5-A: (Rhonda Fleming x Sierra Grande) **\$45.00**

SUNSET STORM (Gerald Richardson 2010) TB, EM, 39" A dark top whose coloration suggest the setting sun breaking through lowering storm clouds. In less poetic terms, the standards are light lavender buff with a deeper violet infusion and lavender style arms. The falls are a light golden buff blend with a hint of lavender and gold beards. Derived from broken color breeding. Seedling # 02-16-1 (Suspicion X #98-88-6, involving Modern Times, Infernal Fire, Circus Top, Crowd Please and several older cultivars) **\$45.00**

TEMPLE OF LIGHTS (Gerald Richardson 2010) TB, M, 36". Standards are rich cream flushed melted butter yellow. Falls are cream with smooth gold hafts, thin gold petal edges and golden orange beards. The style arms are intense gold, like a beacon shining out between the standards. Flowers are broad and ruffled. Excellent performer in Tennessee with superior plant habits. Seedling # 99-12-1 (Grace Whittemore X Little Mary Sunshine) **\$45.00**

Bearded Iris Offerings for 2010

This listing incorporates all categories into one single alphabetical listing. We are offering more varieties this year than ever. This is possible because of expanded planting areas. Since we are not a wholesale nursery and do not need giant inventories of many varieties, we have replanted fewer plants of many varieties in this listing and early ordering is recommended.

Our website is updated and includes a pdf file of this catalog so that you can print off extra copies. While photos of every variety in this catalog is not practical, we plan to add some photos on the web site that you will want to see.

The web address is www.rockytogardens.com.
